Marina trailer 13,6 TON with air brakes for Sailing Yachts

We deliver very high quality Marina trailers from 4,0 till 20,4 Ton payload, well known for its functionality and quality. Our Marina trailers are always fully galvanized and are therefore particularly suitable for indoor and outdoor use. The clever design makes it almost all adjustable and easy to customize according to the hull shape of the boat. All our Marina trailers are equipped with lighting, steering equipment and a detachable drawbar. Till 8 T total weight, the trailer is equipped with drum brakes, above that with air brakes.
